## Be funny.

Learn to have fun and be funny if you want to get a Taurus woman because they love to smile and always be happy. So if you are a funny type, be sure to win her heart easily.

## Smell good.

Look for good perfume and bathing soap if you don't have to help you smell good. If you are trying to attract Taurus women, try to make sure that you feel good because they quickly fall for fragrances that they smell with their nose.

## Mind your dressing

I don't mean buying expensive dresses, but I am merely trying to let you know that you need to dress smart and straightforward like a gentleman to be able to get her. If you are the type that doesn't mind how you wear or look, it will be hard then for you to get a Taurus woman. Because they love to be good and look good, and they also want their man to be the same.

## Allow her to show you her creativity.

Because they love to show off at times, you should allow her to show off, her creative and also admire it when she does so. Even encourage her if you have to do so because all these will make her easily fall for you.

## Choose quality over anything.

If you are dating or trying to get a Taurus woman, you must learn to choose quality over anything else. But that doesn't mean that you should be spending anyhow, but know that a Taurus woman loves good things and not anyhow something. If you are not ready to spend some money, especially in getting quality things for yourself.

# Compliment her

Another most natural way to get her is to compliment her and tell her how lovely and beautiful she is.

Compliments are one of the things that draw Taurus woman close to a man but don't overdo. Too much of everything is terrible, and they believe strongly in that.

## Make her understand you are stable and independent.

Taurus women love to be independent, and so do they want their man to be. So if you're going to get her, you need to make her understand that you are stable and independent, because it's one of the things that she will want to see in you.

## Make your home to be right.

Making your home to right, beautiful, and attractive is one of the best ways for you to get her. So don't plan to get her or take her home if you know that your home doesn't look right. It would be best if you did not use expensive furniture but at least let it look good and worth living.

## Make her feel secure.

Taurus doesn't like to stay in a place or with someone that they are not comfortable with. So try to make her feel convenient and secure when she is with you.

Because if she feels relax with you, be sure to win her heart.

## Buy her flowers.

They love earthly things and their natural beauty. So they will admire flowers a lot more than anything. But that doesn't mean you should be getting her flowers always, but giving her a flower as gifts for the first time will make her happy and feel lovely.

## Don't be clingy

Since she loves to be independent and free. If you are the emotionally dependent type, and can't give her that freedom she wants, because she doesn't only want to be independent but will also want her man to be so too.

## Don't split payments

If you are on a date with her, it is best not to allow her to contribute to making payments unless she is the one that insists on doing so. If not, she may not come back to you again, or you may find it hard to get her.

## Don't rush her

They don't like to be rushed or forced to do things. So if you are trying to get a Taurus woman, you should try to learn how to be patient and understanding. If not, you will find it hard to get her to fall for you.
